ABOUT THE ORGANIZATION

Christ Fountain Solution Outreach Foundation (CFSOF) is a faith-based NGO committed to transforming lives in Nigeria by caring for vulnerable children, mothers, youth and families. Our work is rooted in compassion, love, and service.

Our organization is dedicated to achieving lasting improvements in the quality of life of orphans, vulnerable children, youths, widows, and mothers in need of prenatal and postnatal care. We adopt a holistic approach that integrates awareness campaigns, education, material support, life skills training, and healthcare services, while also promoting gender inclusion, advocacy, and income-generating activities.

At CFSOF, we are powered by a dedicated team of volunteers and board members who give their time and expertise to drive our mission. This allows us to keep administrative costs very low, ensuring that the vast majority of every donor's contribution goes directly into life-changing projects such as youth empowerment, medical outreach, and educational support. With your support, we can maximize impact and transform more lives across Nigeria.

PROJECTS IMPLEMENTED IN 2021

Since its inception, the **Christ Fountain Solution Outreach Foundation (CFSOF)** has been committed to implementing impactful community-based projects that address the most pressing needs of vulnerable groups across Nigeria. Guided by our mission to empower youths, support families, and uplift disadvantaged communities, we have consistently delivered programs that promote self-reliance, dignity, and long-term well-being. Some of the project includes:

1. WIDOWS SUPPORT PROJECT IN MAKOKO LGA

CFSOF launched the Widows Support Project, aimed at restoring hope and stability to widows facing economic hardship. The program provided financial support to start small businesses, and essential relief packages to meet immediate family needs. Beneficiaries also received mentorship and counseling, helping them regain confidence and resilience.

2. Abba Angel Academy Primary School Feeding & Support Program in Makoko LGA

Recognizing the role of nutrition in education, CFSOF implemented a program focused on primary school children. Through this initiative, we provided nutritious meals, school supplies, and other basic essentials to ensure that children remained in school, were attentive in class, and had the tools needed to learn effectively. This intervention directly improved both school attendance and classroom performance, while also relieving struggling families of the burden of daily school-related expenses.

Aligning CFSOF work with Sustainable Development Goals (SDGs)

At Christ Fountain Solution Outreach Foundation (CFSOF), our programs are carefully designed to address pressing social and economic challenges in Nigerian communities while aligning with the United Nations Sustainable Development Goals (SDGs). Through initiatives that support widows, empower youths, and care for vulnerable children, we contribute to global efforts to end poverty, fight hunger, promote quality education, and ensure healthy, inclusive societies.
