ABOUT THE ORGANIZATION

Christ Fountain Solution Outreach Foundation (CFSOF) is a faith-based NGO committed to transforming lives in Nigeria by caring for vulnerable children, mothers, youth and families. Our work is rooted in compassion, love, and service.

Our organization is dedicated to achieving lasting improvements in the quality of life of orphans, vulnerable children, youths, widows, and mothers in need of prenatal and postnatal care. We adopt a holistic approach that integrates awareness campaigns, education, material support, life skills training, and healthcare services, while also promoting gender inclusion, advocacy, and income-generating activities.

At CFSOF, we are powered by a dedicated team of volunteers and board members who give their time and expertise to drive our mission. This allows us to keep administrative costs very low, ensuring that the vast majority of every donor's contribution goes directly into life-changing projects such as youth empowerment, medical outreach, and educational support. With your support, we can maximize impact and transform more lives across Nigeria.

CFSOF is driven by the commitment of its Board of Directors, staff members, and dedicated volunteers across Nigeria. Our team brings together individuals with diverse expertise and a shared passion for empowering communities.

This legal recognition authorizes CFSOF to operate as a non-profit organization within Nigeria, implementing its programs in collaboration with government authorities at the federal, state, and local levels.

In compliance with Nigerian national regulations, the Christ Fountain Solution Outreach Foundation (CFSOF) has duly secured the necessary approvals and registrations with the Corporate Affairs Commission (CAC) and relevant governmental agencies.

PROJECTS IMPLEMENTED IN 2023

Empowered Street Children in Ijesha

In 2023, CFSOF launched a transformative outreach project in the heart of the Ijesha community, aimed at restoring hope and dignity to street children who had been neglected and marginalized. Through this initiative, we empowered over 100 street children by providing them with essential food items to meet their immediate nutritional needs, while also investing in their future through educational scholarships. Many of these children had never stepped into a classroom before, and through our efforts, several were enrolled in schools for the very first time. The project did more than just offer relief—it reignited dreams, reconnected families, and inspired a renewed sense of purpose in the community. By addressing both short-term survival and long-term growth, we not only reduced hunger and illiteracy but also planted seeds of lasting transformation. This project stands as a testament to our belief that every child, no matter their background, deserves a chance to thrive

Impact Achieved

The results of this intervention have been nothing short of transformative. Dozens of children were successfully enrolled in schools ranging from primary to junior secondary levels, while others were placed in vocational training programs suited to their needs and interests. With regular follow-up and mentorship from our team, many have shown remarkable improvement in both academic performance and behavioral development. Beyond individual stories of change, the project has also had a ripple effect in the wider community. Local leaders and families began to engage more

actively with issues affecting vulnerable children, and community volunteers emerged to support the monitoring and reintegration process. Furthermore, partnerships were formed with local schools, healthcare providers, and religious institutions, strengthening the support network available to these children. This holistic approach helped us move beyond mere charity to true empowerment and reintegration.

LOOKING AHEAD

While the achievements of 2023 are significant, we recognize that this is just the beginning. There are still many more children on the streets of Ijesha and surrounding communities who remain at risk. In 2024, we aim to scale this project by increasing the number of beneficiaries, expanding to nearby communities, and deepening our intervention through after-school programs, family reunification efforts, and continued vocational training. We also plan to launch a community awareness campaign focused on child protection and education, and to work more closely with government agencies to push for systemic change. With continued support from our partners, donors, and volunteers, we are committed to building a future where no child is left behind—where every child, regardless of their background, has the opportunity to learn, grow, and live with dignity.

Aligning CFSOF work with Sustainable Development Goals (SDGs)

In 2023, Christ Fountain Solution Outreach Foundation (CFSOF) focused on empowering vulnerable street children through the provision of food support, educational scholarships, and psychosocial care—efforts that directly align with several United Nations Sustainable Development Goals (SDGs)
